Two more large sales were put through this week by J. P. Johnson & Co. 160 acres five miles southeast of Wetaskiwin was sold for \$4,000 and a half section near New Norway, in the neighborhood of \$6,000. American farmers being the purchasers and the are looking here at once.

It was announced some time ago that Dr. F. A. Nordby would locate among us. He is now here and will shortly move to a nice suite of rooms in Compton's new brick block. He is a graduate of McGill, took his hospital training in St. Paul, Minn., practiced for some time in N. D. and took Post Graduate work in New York last winter. We welcome the doctor to our midst and wish him success.

John P. Judy, of Judyville, Ind., one of the biggest outfitters of farm-livery barns, etc., in the States, arrived in the city on Sunday last. Mr. Judy has the proud distinction of having a good sized town—that of Judyville—named after him, of which he owns the largest portion. He also owns a section of land seven miles west of the city, managed by his brother J. B., which he intends making one of the largest mixed farms in Alberta.

J. B. Ellison made a trip to Edmonton on Wednesday, returning Thursday. While there he met W. A. Partello, of New York, and booked several high-class repertoires for the Dreamland Theatre here.

The north-bound nine o'clock train leaving here one night last week, ran into a bunch of seven horses at Lucas' crossing, killing six of them. They were property of Prudden Bros. and were choice geldings. Two nights previous three horses owned by Mr. Lucas were killed in the same manner by the same train and engineer. The loss to Prudden Bros. is considerable and they talk of entering action against the C.P.R. for damages.

A very practical manner of paying the winners of a horse race was adopted by Geo. Clark in the event of the special race on Wednesday afternoon. He took up a subscription amounting to about \$40 and placed the money in the bank to lay over credit, he then wrote cheques dividing the purse into first, second and third money and immediately after the winners were announced by the judges the cheques were turned over to the persons entitled thereto.

The Teachers' Association of Northern Alberta is to be held in the city on October 27th and 28th. As there about 150 teachers expected from outside points it is feared that there will not be sufficient hotel accommodation. It would be an act of kindness on the part of the residents of the city to open their homes on this occasion. If any feel inclined to let rooms or give board or both kindly communicate with the secretary Miss M. B. Moore, of Alexandria school.

Wetaskiwin Fair A Great Success

The twelfth annual Wetaskiwin Agriculture Exhibition was opened at Diamond Park yesterday morning. Hon. Duncan Marshall, minister of agriculture, delivered the opening address and he formally declared the exhibition open to the public at precisely ten o'clock. The minister's speech was mostly delivered and evoked hearty applause from a good-sized crowd that gathered in front of the grand stand for the opening ceremonies. Following the opening, the morning was spent in arranging the vast number of exhibits that were constantly coming in, and in this respect Secretary Tatham showed a large amount of gray matter in handling the confusion and bringing order in short notice.

The grounds this year are far and away a big improvement over any previous year. A large stable was built, with room for twenty pairs of horses and foals. The structure is built at the far end of the grounds, near the old gulches, and is neat in appearance. A small horse stable was also put up at the south end of the grand stand for the use of farmers to stable their horses, which, with the old accommodation stalls, allows for the housing of many teams. The pens for swine and sheep were not put in place, owing to the stress of work upon the track and other buildings.

The city council of Wetaskiwin gave the Agriculture Society the money for making these improvements and the total cost amounted to \$400,000. Of the general incidental expenses in putting the grounds in shape and making the old buildings newer in appearance and cleaner.

The race track, excepting for a slight growth of grass near the upper side, was in excellent shape for racing, and much faster time was made in the half and quarter mile running races than has been made on other tracks in this district. The judges stand, too, presented a gay appearance, with its dancing, dancing and waving banners and made a striking picture with the heavy crowd of grand stand opposite. The grand stand held 100 people and the demand for seats far exceeded this number, many of whom stood up in the box in front. Notwithstanding the lack of seats, the crowd was good natured and accepted the situation with a smile.

At one o'clock the judges commenced their work in the poultry department. The owners of the exhibits made a large gallery following the judges, and they felt greatly concerned over the outcome. The poultry show was a banner one and except the judges perplexed in deciding the awards. A large list of the birds were seen, comprising everything from a stately Plymouth Rock to the impudent Bantam. Afterwards the judging of the cattle and horses took place and this event was watched with much interest. The results of the judging are given in another column of this paper.

HORSE RACING

The horse racing created considerable interest and a great deal of betting was done. Candy Kid, a well known racer, on the tracks all over the province, was the star entry in the first race and not until the first heat was run was it known that the winner stood high in race circles and the better withdrew from betting their favorites in the other heat. Candy Kid won in two straight heats in good time, though he was hard pressed in the second by Billy Bryan, who got away to a bad start in both heats and closed a wide gap between himself and the leader before reaching the eight post. Billy Bryan looked good to the majority of the spectators and it was the popular opinion that he could beat Candy Kid with a fair start.

The summary first race, half mile. Purse \$50.

Candy Kid, A. J. Ray, Lamerton 1 1 Billy Bryan, I. House, Millet 4 2

Time of heats 53.1, 53.

The pony race followed the first event and a small field of three entries answered Starter Roman's bell. Jockey Hay, who piloted Candy Kid under the wire in the previous race, accomplished a similar feat in this race for Dr. Scindler's entry, Lady Dover.

The Dayland mare had all she could do to make the distance a better time ahead of Dirty who was the favorite in the betting. Nichie was hopelessly out of it from the start and withdrew from the last heat. Both heats were stubbornly fought between Lady Dover and Dirty and they galloped under the wire each time neck and neck. Ray whipped his mare along to the post, commencing a hundred yards out and managed to push in front of Dirty by quartering jockeying.

The summary of heats. Distance 1 of a mile. Purse \$25.

Lady Dover, Dr. Scindler, Dayland 1 2 Dirty, H. Gun, Wetaskiwin 2 13 Nichie, E. Standerfer, Wetaskiwin 3 2

Time of heats 27, 28, 29.

SYNOPSIS OF CANADIAN NORTH WEST LAND REGULATIONS

ANY person who is the sole head of
a family, or any male over 1
years of age, may homestead a quar-
ter-section of available Dominion land in
Manitoba, Saskatchewan or Alber-
ta. The applicant must appear in
person at the Dominion Lands Agent's
Sub-Agency for the district. En-
try by proxy may be made at any
agency, on certain conditions, by the
father, mother, son, daughter, brother
or sister of intending homesteader.

Duties—Six months' residence up-
on and cultivation of the land in each of
three years. A homesteader may live
within nine miles of his homestead on
farm of at least 80 acres solely
used and homesteaded by him or his
father, mother, son, daughter brother
or sister.
In certain districts a homesteader in
good standing may pre-empt a quarter-
section alongside his homestead. Price
\$3.00 per acre. Duties—Must reside
six months in each of three years from
date of homestead entry (including
the time required to earn homestead
patent) and cultivate fifty acres extra.
A homesteader who has exhausted
his homestead right and cannot ob-
tain a pre-emption may take a pur-
chased homestead in certain districts.
Price \$3.00 per acre. Duties—Must
reside six months in each of three
years, cultivate fifty acres and erect
a house worth \$300.00.

W. W. COBBY
Deputy of the Minister of the Interior
N.B.—Unauthorized publications of
this advertisement will not be paid
for.

Daysland Fair

Daysland, Sept. 27.—The Daysland
Agriculture Fair last week was de-
cisively good and pleased everybody.
There was over a thousand people in
attendance and the weather was all
that could be desired. It was the
third annual exhibition of the Agricul-
ture Society and was bigger, an
better than the previous two. The
music was furnished by a combination
of the Haff and Daysland bands
and the arrangement was satisfactory
with good music as the result.

The exhibits were all fine and the
awards were in keeping with the
quality of the exhibits shown. The
Hawthorn, of Olds, acted as judge of
horses. In the thoroughbred class
R. V. Campbell, of this place, won
first prize against a field of four en-
tries, one of which swept the field at

Bradley, Smith & Martin AGENTS FOR C. P. R. LANDS

An excellent opportunity is opened to the farmers to
buy C. P. R. Lands while the price is yet very low.
There is every indication that the price of land,
which has been low in Central Alberta, will within
a short time be advanced considerably. Now is the
time to obtain these lands in payments running over
ten years at 6% interest. See us for prices. We
have a fine assorted list of choice improved and raw
lands for sale which will make the investor money.
Farmers contemplating selling will do well to list
their lands with us.

IN THE DISTRICT COURT OF THE DISTRICT OF WETASKIWIN

In The Matter of The Appeal of
R. O'Brien, Appellant and The
City of Wetaskiwin, Re-
spondent

This is an appeal of the above named
Appellant, on behalf of himself and
other ratepayers, appealing against
the assessment roll of the City of
Wetaskiwin for the year 1910, on the
ground that the assessment has not
been performed in accordance with the
provisions of the Municipal Ordinance
and particularly for non-compliance
with Sec. 128 of the ordinance.

There was filed as Exhibit "A" a
book purporting to be the assessment
roll for the year 1910 with an affidavit
of the assessor attached thereto, sworn
on the 11th day of August,
1910. There was also filed as Exhibit
"B" a book purporting to contain the
rough assessment for the same year
and from which, according to the evi-
dence, Exhibit "A" was made as a
correct copy of Exhibit "B", not by
the assessor but by some person in
the Secretary-Treasurer's office.

It appears that these documents,
from the admissions made by counsel
on the hearing of this appeal and from
the oral evidence taken on the hearing
of this appeal that the assessor
completed his rough assessment,
so called, on or about the 1st of May
1910, that he reported its completion
to the council on 3rd May, 1910, that
the assessment committee began its
meetings on or about 10th May, and
worked at the roll for about two
months, revising the whole assess-
ment and changing about 75 per cent.
of the assessor's original figures in
Exhibit "B" which he says he rubbed
out and substituted for them the fig-
ures of the assessment committee in
which he says he had to concur when
the "majority of the committee" over-
ruled him. The Secretary-Treasurer
in giving evidence stated that he had
not any assessment roll made by the
assessor himself.

It may be noted here that the assess-
ment consisted of the Mayor, two
Aldermen and the assessor. I am of
the opinion that this is not in com-
pliance with Sec. 123 of the Ordinance
which provides for a committee of
three members only. It follows there-
fore that the revision of the assess-
ment made by this "committee" was
made entirely without authority.

A reading of Secs 122 and 123 of the
Municipal Ordinance leaves one some-
what at a loss in defining the powers
and the functions of the assessment
committee. Sec. 122 enacts that the
assessor shall prepare an assessment
roll after revision by the assessment
committee. Sec. 123 enacts that the
assessment committee shall be com-
position of the assessment roll and be
out check over the assessment roll and
make such corrections as the major-
ity of the committee may decide. A
part from the contradictions involved
in these two sections it seems to me
highly improbable that the legis-
lature intended to interpose between
the assessor (who is supposed to have
some knowledge of assessable values
and who is clothed with full power of
obtaining information as to such val-
ues) and the court of revision, a tri-
bunal not necessarily expert in assess-
able values and clothed with no pow-
er of obtaining information as to such
values. The more probable view
would seem to be that the assessment
was intended merely to assist the as-
sessor in checking over and correct-
ing errors in his roll and not to make
a practically new assessment. In the
view I have taken as the correct
situation of the committee in the pre-
sent case I do not deem it necessary
to decide this question.

Sec. 128 of the Ordinance requires
that the assessor shall make, com-
plete and deliver his roll to the Sec-
retary-Treasurer on or before the 1st
day of May or such prior date as the
council may prescribe with his affi-
davit thereto made in the form pre-
scribed in that section of the Ordinance.
In this case the evidence does not
make it clear whether the roll was de-
livered on the first day of May or on
the third day of May, but it is per-
fectly clear that the assessor's affidavit
was not made till the 11th day of
August which was the first day of
the sittings of the court of revision and
that it was made some two or three
hours before the opening of the
court. It also appears that the affi-
davit was not annexed to any roll
made by the assessor but to Exhibit
"A" which purports to be a copy
made by some person in the Sec-
retary-Treasurer's office of Exhibit "B"
which is the assessor's roll as altered
by the so-called assessment committee.
It further appears that neither Ex-
hibit "A" nor Exhibit "B" is certifi-
ed by the Secretary-Treasurer as
being the roll finally passed by the
Court of Revision as required by Sec.
136, of the Ordinance. These are the
only rolls before us.

I am of the opinion that the failure
to deliver the roll within the time
prescribed does not, under the authori-
ties cited in our assessment, but
122, invalidate the assessment, but
as I am of the opinion, and I so hold,
that the omission to deliver a roll
with the assessor's affidavit thereto
or indorse thereon a total \$600 town
of Trenton vs. Dyer, 21 A. R. (Ont.)
379; 24 S.C.R. 474, and that the de-
fect is not cured by the saving clause
in Sec. 136 of the Ordinance, because
the roll is not certified by the Sec-
retary-Treasurer as being the roll fi-
nally passed by the Court of Revision.
Weir, at page 193, in a note to Sec.
66 of the Ontario Act, which is for
the present purpose, substantially the
same as Sec. 136 of our ordinance,
says, "Two things must concur to en-
sure finality; the roll must be passed
by the Court of Revision and it must
be certified by the clerk as passed."
This latter has not been done and the
roll is therefore deprived of the ben-
efit of the saving clause as to defects
or errors committed in or with re-
gard to it contained in Sec. 136.
I am therefore constrained to hold
that there has been no valid assess-
ment for the City of Wetaskiwin for
the year 1910. I have come to the
conclusion with the utmost reluctance
being fully aware of the great hard-
ship which may ensue to the city and
to its ratepayers unless a new assess-
ment can be made in the manner pre-
scribed by the Ordinance but I can
find no other course open to me.

The appeal will be allowed and as
I can find no reason why I should ce-
re the successful appellant of his
costs, it will with costs as pre-
scribed in Sec. 138 (11),
Wetaskiwin, September 23, 1910.

Wm. A. D. Lees, J.D.C.W.

HONORABLE MURDER NEAR GOD-
URICH, ONT.

Goderich, Sept. 25.—The mysterious
disappearance of Lizzie Anderson, the
seventeen-year-old daughter of Wes-
ley Anderson of Salford, was solved
this morning by the finding of her
dead body, with her throat slashed
from ear to ear. That a most dan-
gerously murder had been committed is
evident by the appearance of the body
and the surroundings of the place
where the crime occurred. Nearly
every stitch of clothes had been torn
from the body. The unfortunate girl
had come from her home in Salford,
a little village across the river, to
attend the fall fair here last Tuesday
afternoon, promising to return home
in the evening. Early in the evening
a boarder at her Salford home met
the girl and asked her to accompany
him home, to which she replied that
she would not leave until nine o'clock.
Her brother waited for her at the
main exit but failed to notice her
on the way out. The girl not return-
ing home that night led to great an-
xiety, and a search was instituted by
the family. The fear that she might
have been persuaded by some of the
midway performers to leave town led
to a search by the local police in the
neighborhood where fall fairs were in
progress. No trace could be found,
however, and the information as to
her whereabouts was not forthcoming
from those who had been in conversa-
tion with her on the fair grounds.
This morning a searching party of
four, including her father, made a
careful investigation of the surround-
ing river banks and buildings, and
passing to the south of the exhibition
grounds, decided to look into an empty
house just across the street, where
to the horror of the leader, on step-
ping into the cellar from an outside
entrance, the mutilated body of the
girl was found lying across the floor.
The cellar showed evidence of a de-
perate struggle. An inquest will be
held tomorrow.

RUSH ON FROM THE DAKOTAS

North Portal, Sept. 23.—The rush
of immigrants and land seekers from
the United States has commenced ear-
ly, owing to poor crops in the Dako-
tas, causing a short harvest and there-
fore a heavy influx of settlers. Twenty-three car loads
of settlers' effects were entered at this
point Thursday, and passenger train
traffic was very heavy, necessitating

Suffered For Years From Pain In The Back and Headache.

Pain in the back is one of the first signs
showing that the kidneys are not in the
condition they should be, and it should
be attended to immediately, for, if ne-
glected, serious kidney troubles are likely
to follow. There is no way of gettin-
rid of the backache except through the
kidneys, and no one can be effective in
this purpose as Dean's Kidney Pills.
Miss Mrs. A. Dorman, 29 Spring St.,
Charlottesville, P.E.I., writes:— "I have
received most wonderful benefit from
taking Dean's Kidney Pills. I have
suffered for years from headache
and pain in the back, and I consulted
doctors and took every remedy obtain-
able but without any relief until I began
taking Dean's Kidney Pills. This was
the only medicine that ever did me any
real good, so after using several boxes I
am now entirely free from all my dread-
ful headaches and backaches.

FIVE SPLENDID ATTRACTIONS

Walker Lyceum Course to be Given Here

Arrangements have been completed whereby the five companies comprising the Walker Lyceum Course are to be seen here during the coming season under the auspices of the Y.M.C.A. committee.
Great care has been taken in the selection of these attractions and it requires but a glance at the list to prove that we are going to get something far above the ordinary.
The five companies chosen by the local committee include Shakespeare's ideal comedy "Twelfth Night," presented by a large company including William Yule and Violet Eddy; the sparkling musical comedy "Milk and Honey," in which the popular English Opera singers will appear through the season; Robert Meikle, assisted by Frank Lloyd, comedian and a capable company, the "Lyceum Players," with Sir Romuald Italian harpist and the amusement novelty of the season, "The Merry Musicians," a fun making troupe of Pierrots. These companies will appear through the season and the local committee guarantee entire satisfaction at each and every entertainment. A pleasure ticket covering the five entertainments may be secured at a price greatly reduced over the five separate entertainments. Tickets now on sale at Williamson's Jewelry store.

COMMUNICATION

(We do not necessarily endorse the sentiments advanced by this or any other correspondent appearing under this heading.)

The recent decision of His Honor Judge Lees, regarding the assessment of the City of Wetaskiwin has caused considerable comment and ill feeling, which has been directed directly against those who appealed from the Court of Revision to His Honor. We look at this matter in an entirely different light from those who would throw the blame of our condition on the shoulders of the few who determined to correct some of the evils that have of late been creeping into city affairs, were citizens enough and had the welfare of the city so much at heart that they would carry their case to the extreme, knowing, at the same time, that their portion would be only a share in those in authority. Too much cannot be said in favor of the few, who actuated by the best of motives, the correcting the abuses that have been practiced in connection with valuations and assessments of this city, were willing to make the sacrifice necessary to carry the matter to a finality.

All honor we say to those who have given the ratepayers a clear knowledge of the affairs connected with this part of the Council's work.
It is hoped the present council will appreciate the result and make a more determined effort to carry out the trust imposed on them with that dispatch and business like manner that the ratepayers have a right to expect, or resign the trust.

HON. MR. OLIVER'S DAUGHTER WEDS

Ottawa, Sept. 21.—The smartest and most fashionable wedding of the season took place at St. Andrews church at 2:30 this afternoon when Mr. J. C. Herring united in marriage, Claire, third daughter of Hon. Frank Oliver, minister of the Interior, and Mr. Alton Keeler, son of Mr. and Mrs. A. A. Keeler and a well-known society man of the Capital.

The wedding was largely attended, the church being crowded. The bride was given away by her father. The bridesmaids were Miss Ann Oliver, sister of the bride and Miss Rosie Chadwick.
Mrs. W. Stevenson, of Norfolk, England, daughter of Col. A. P. Sharwood, commissioner of Dominion police, was matron of honor. The groom was assisted by his brother, Mr. Thos. Keeler, and the ushers were Messrs. Sam McDougall, John Thompson, Cameron Edwards, Herbert Chamberlain and Joe McDougall, M. L. A. of Ottawa.

The invited guests included Sir Wilfrid Laurier and all the members of the cabinet, and those present included all of the ministers at present in the city.
The out-of-town guests included Mrs. H. Anderson, Mrs. Van Horne, New York; Miss Delamare and Miss Elsie Keeler, Toronto.
The gifts, which were numerous and costly, included a magnificent ruby and garnet brooch from his excellency and Countess Grey, a lace and mother of pearl fan, from Lord and Lady Lansdowne, and a rich linen and lace table cover, the gift of Sir Wilfrid and Lady Laurier.
After the wedding ceremony a reception was held at the residence of the bride's parents on Somerset street. The young couple left on the afternoon train for New York. After the honeymoon trip in over they will take up their residence in Ottawa.

NOTICE TO GRAIN THRESHERS

Inspector L. T. Miquelon, inspector of noxious weeds in Wetaskiwin and Poncha districts, has issued notice to the farmers and thrashers of both districts that they must conform to the Act. The Act reads as follows: "Every thrasher shall clean the grain thrashed by him, and when it is delivered to the owner it shall contain not more than 100 seeds of noxious weeds, other than wild oats, in one thousand of grain, and screenings containing seeds of noxious weeds shall be destroyed by the owner within five days after it is thrashed, or removed in closely woven and securely tied sacks."

At a meeting of the Cabinet Ministers an order was passed making Monday, October 31st, Thanksgiving Day this year. The selection of a Monday for the holiday follows the precedent established two years ago, principally at the request of the Commercial Travelers' Association.
